

Zippity Zoo

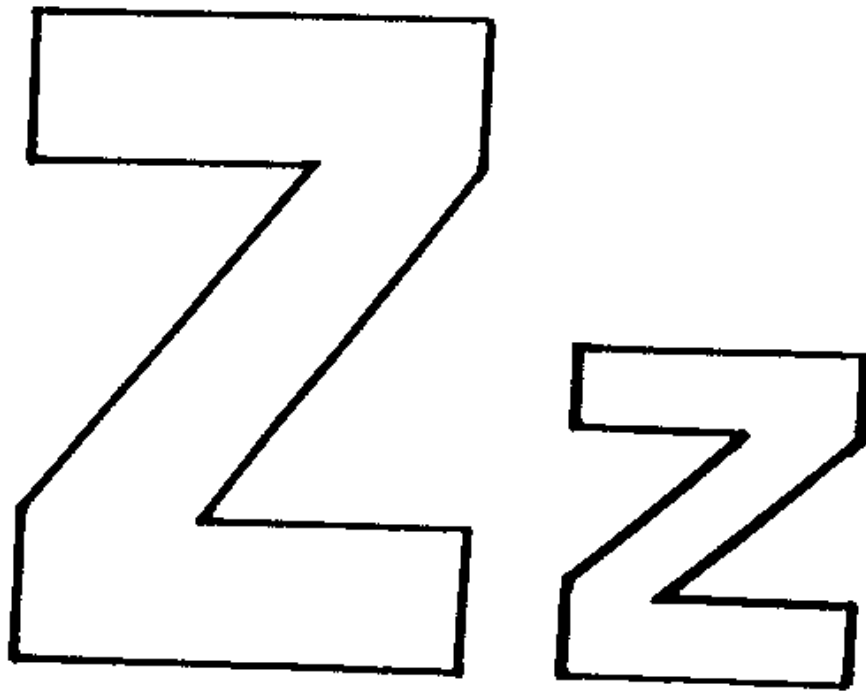

TUNE: TURKEY IN THE STRAW

Let's take a trip to Zanzibar

away across the sea,

Where there's zillions
of things that
begin with Zz,

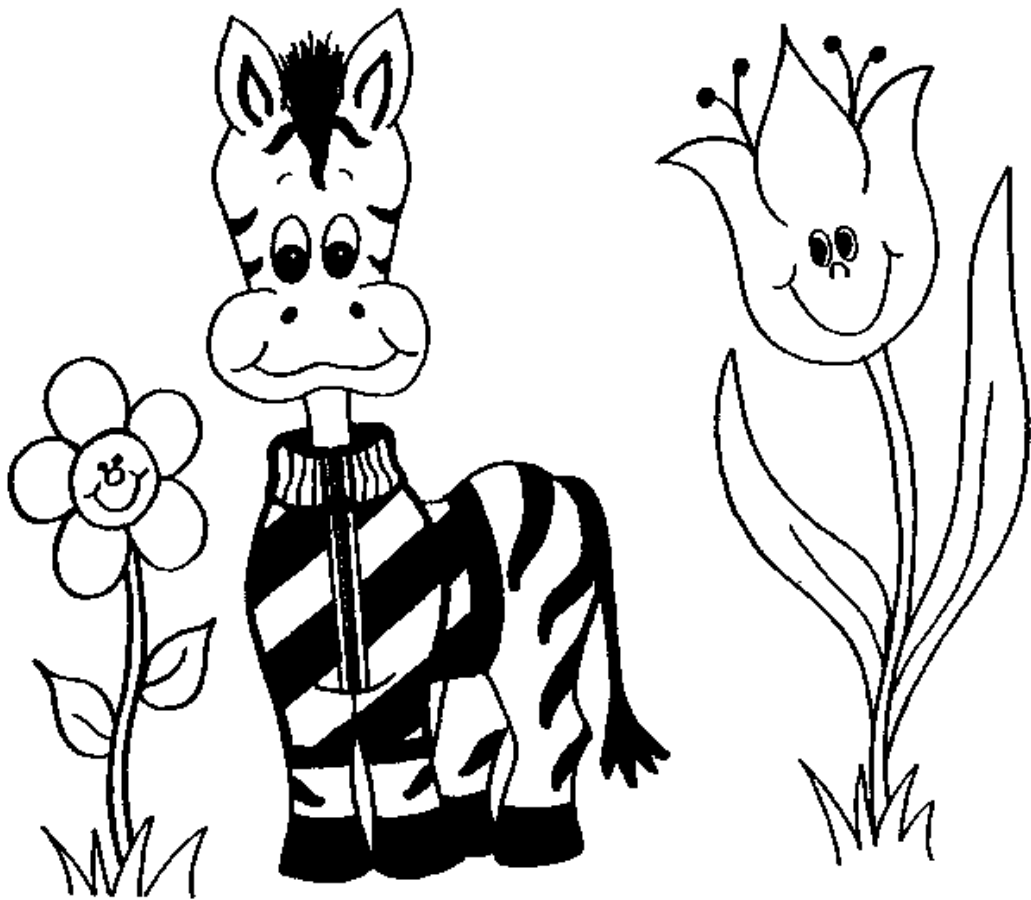

Like Zelda the zebra

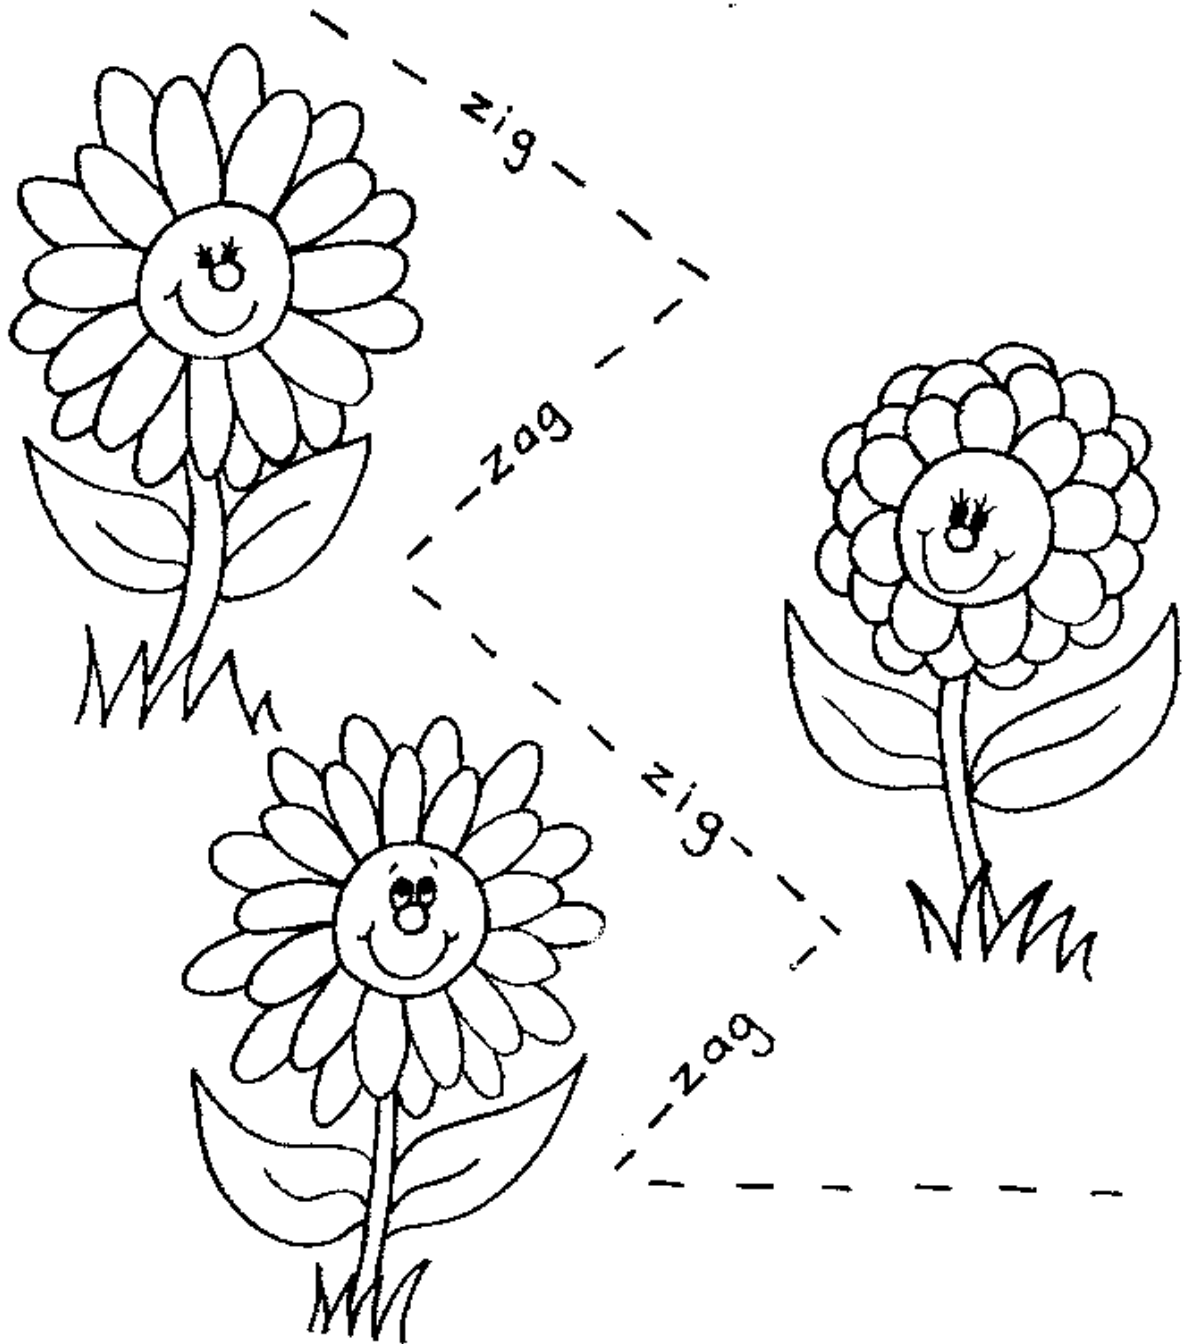

and Zachary too,

Zipped up in stripes

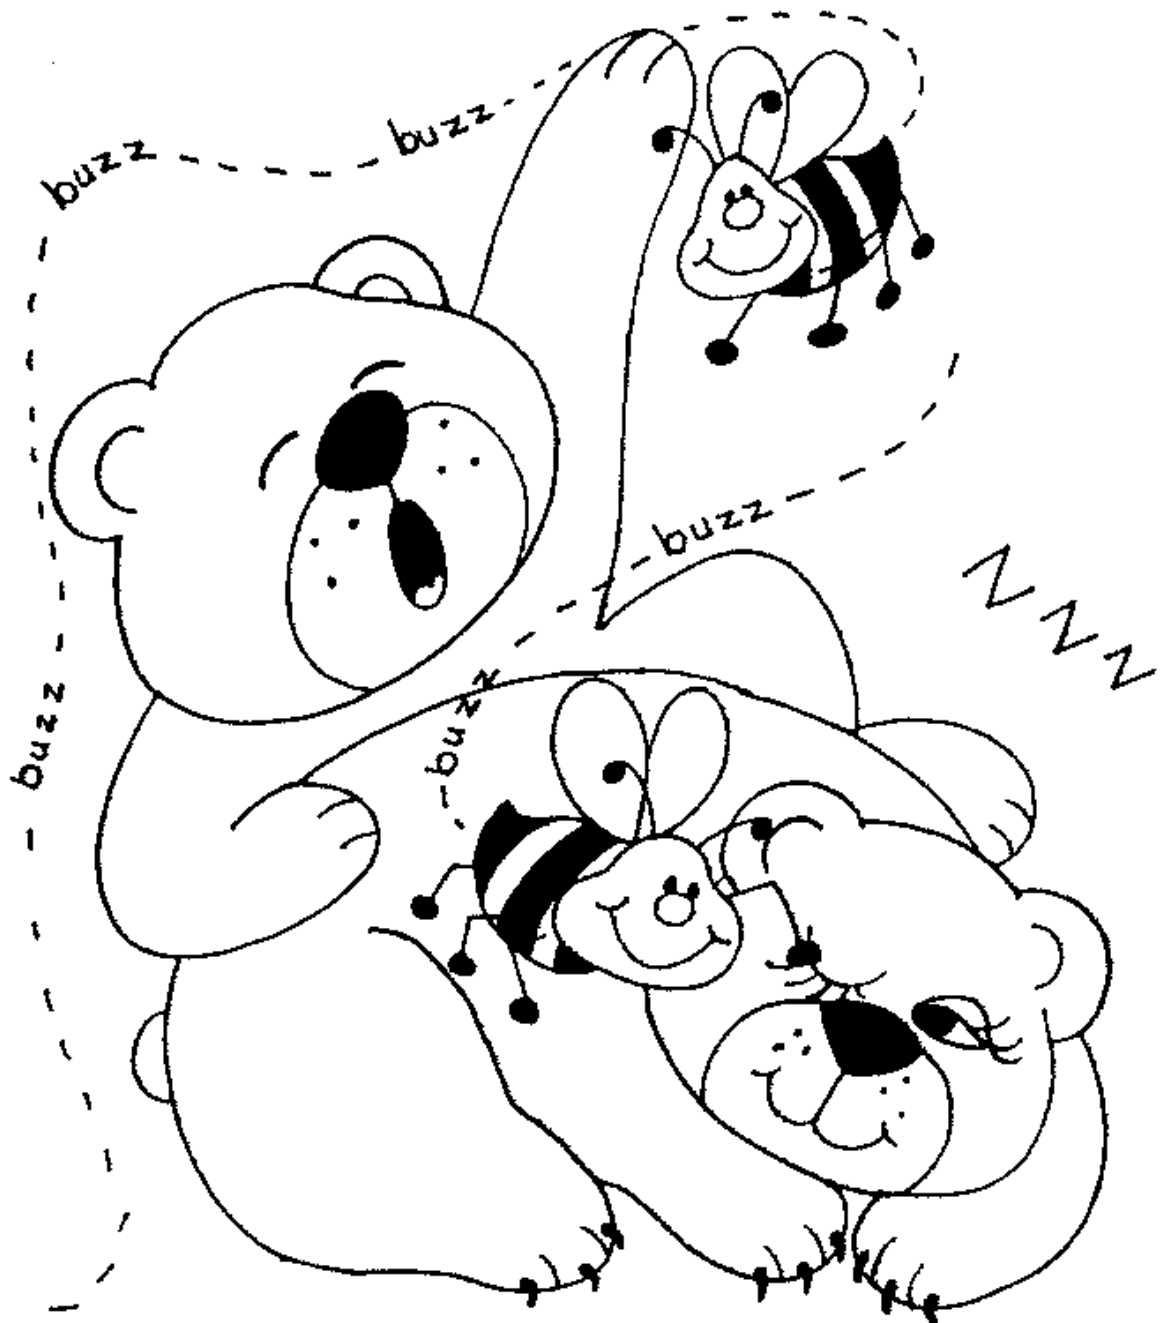

at the Zippity Zoo.

Zig-zagging through the zinnias

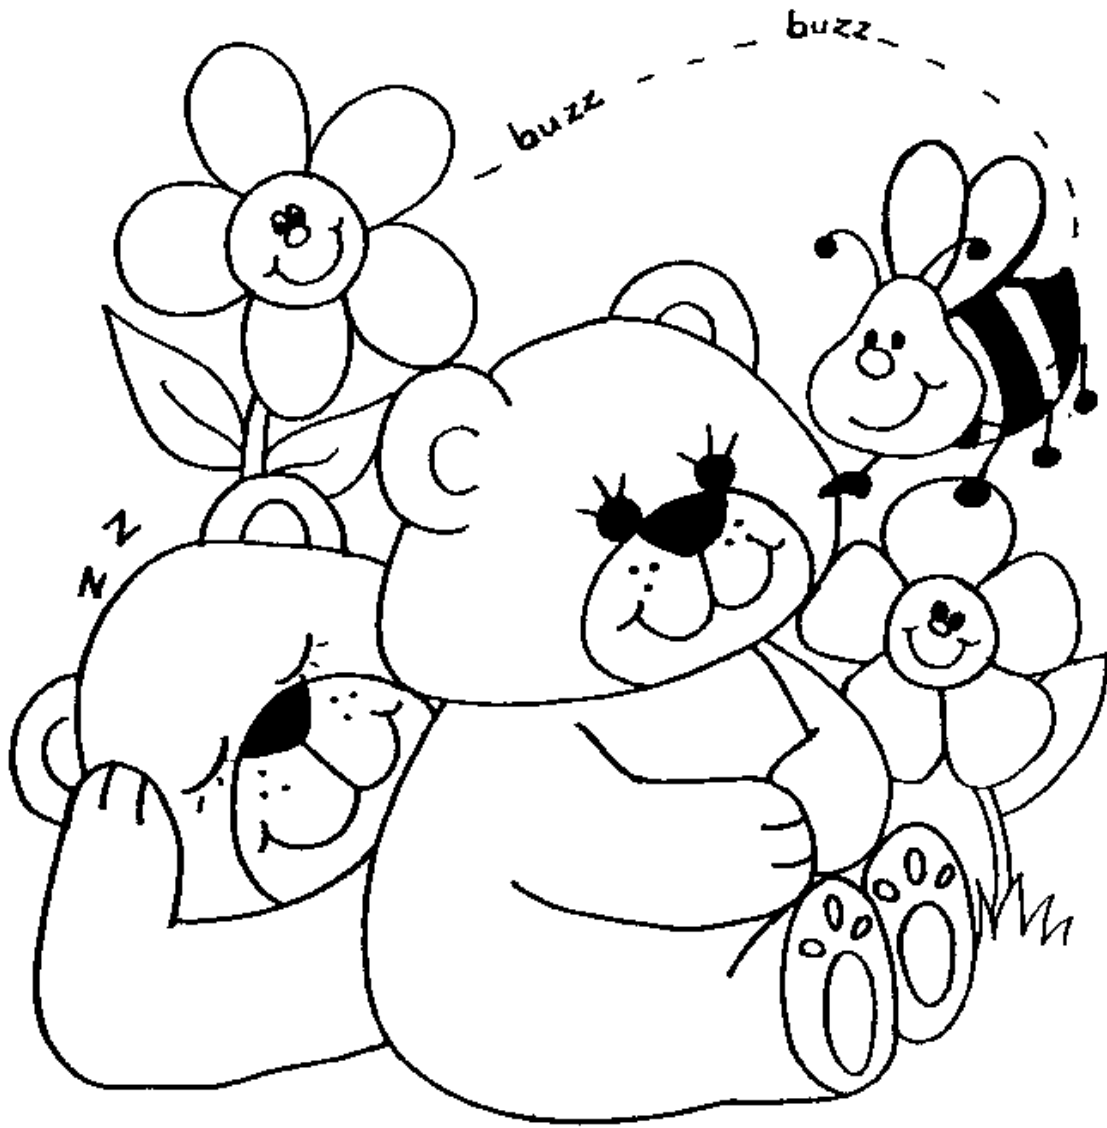

the bees go zap!

Waking all the zany
bears from their

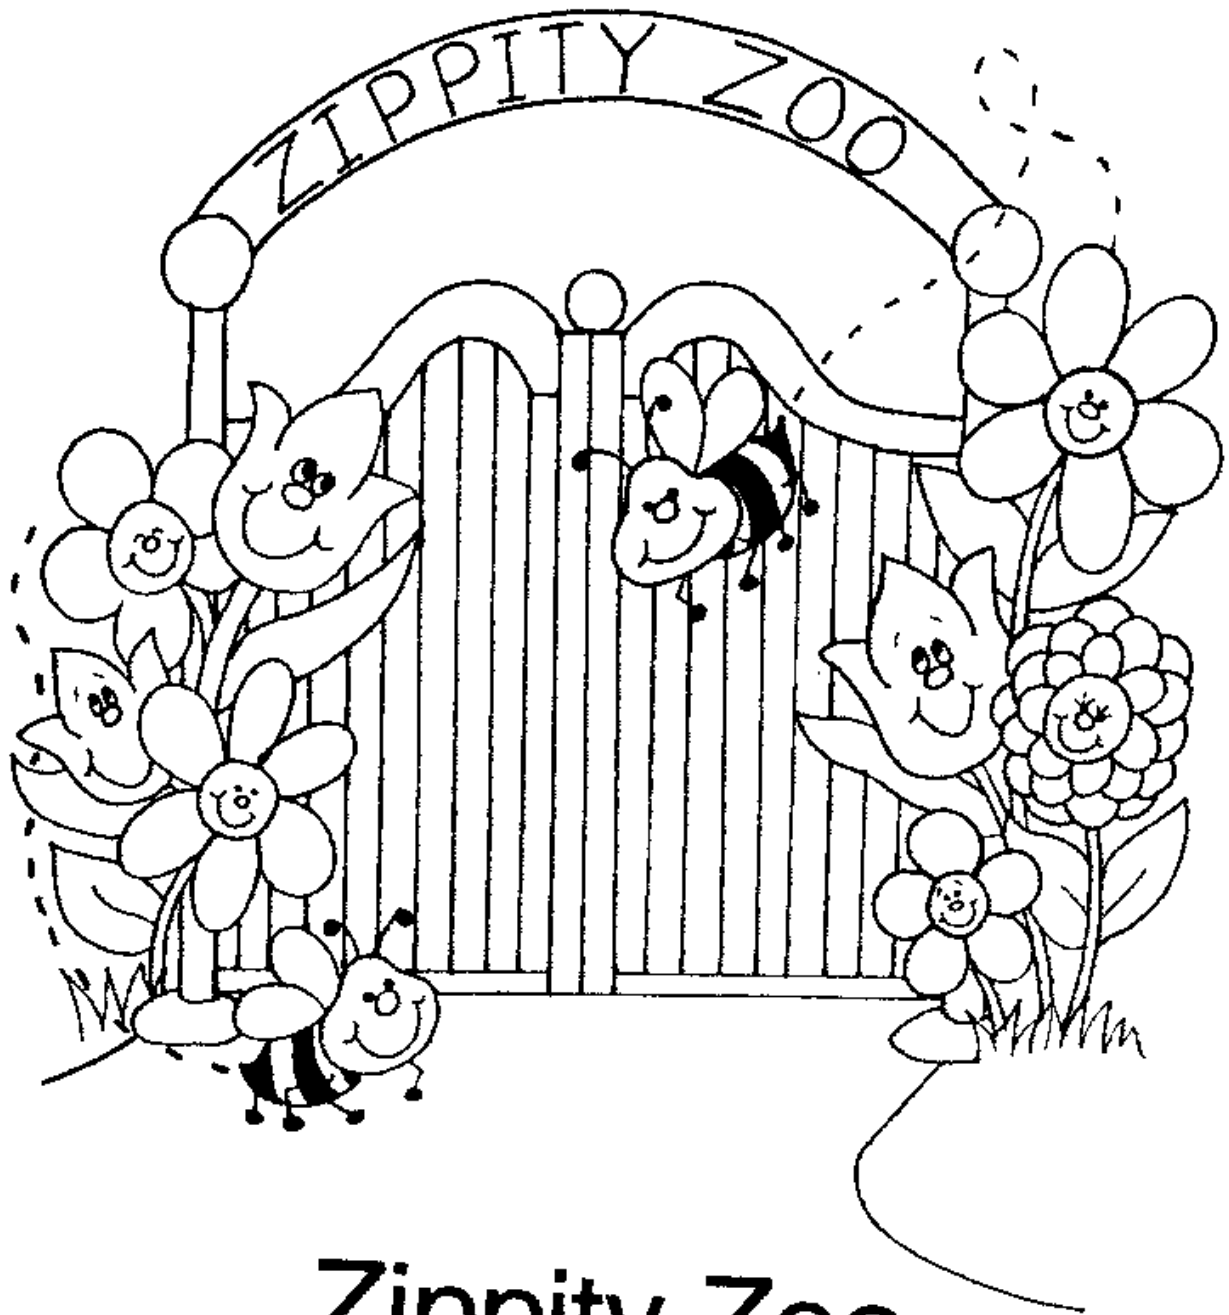

long winter's nap.

**There's no time
for snoozing;**

there's work to do.

Springtime has come
to the

Zippity Zoo.
